EDUCATION

Honours BSc Computer Science University of Ottawa

09/2020 - Present

Ottawa, ON, GPA: 7.73

Courses

- Data Structures and Algorithms
- Databases I
- Design and Analysis of Algorithms I
- WWW Structures, Techniques and Standards
- Operating Systems
- Introduction to Data Communications and Networking

WORK EXPERIENCE

Enterprise Architecture Statistics Canada

05/2022 - 04/2023

Ottawa, ON

Achievements/Tasks

- CO-OP from 05/2022 until 08/2022 - Part-time from 09/2022 until 12/2022 - CO-OP from 01/2023 until 04/2023.
- Utilized Sparx Enterprise Architect to create various intricate models, diagrams, and reports, effectively conveying architectural principles and facilitating informed decision-making processes.
- Performed regular maintenance tasks on Sparx Enterprise Architect software, assuming an administrative role to manage user accounts, both past and present. Ensured smooth operation and user management for optimal utilization of the software platform.
- Streamlined product analysis process by designing a comprehensive PowerBI report and creating a PowerApps application. Facilitated detailed drill-down view for enhanced examination of data on Excel sheets.
- Attended daily team meetings and weekly divisional meetings to give updates on my work.
